

## Geography - Long Term Plan

	<u>Unit</u>	<u>Unit</u>	<u>Unit</u>
<u>Year 1</u> <u>(Cycle A)</u>	What is it like here?	What is the weather like in the UK?	What is like to live in Shanghai?
<u>Year 2</u> <u>(Cycle B)</u>	Would you prefer to live in a hot or a cold place?	Why is our world wonderful?	What is it like to live by the coast?
<u>Year 3</u> <u>(Cycle A)</u>	Are all settlements the same?	Who lives in Antarctica?	Why do people live near volcanoes?
<u>Year 4</u> <u>(Cycle B)</u>	Why are rainforests important to us?	Where does our food come from?	What are rivers and how are they used?
<u>Year 6</u> <u>(Cycle A)</u>	What is it like in the Alps?	Where does our energy come from?	Would you like to live in the desert?
<u>Year 5</u> <u>(Cycle B)</u>	Why does population change?	Why do oceans matter?	Can I carry out an independent fieldwork enquiry?
