2 Year progress check

The aims of the progress check are to:

- review a child's development in the three prime areas of the EYFS;
- ensure that parents have a clear picture of their child's development;
- enable parents to understand the child's needs and, with support from practitioners, enhance development at home;
- Identifies strengths and any areas of development.
- describe actions the provider intends to take to address any developmental concerns (including working with other professionals where appropriate).
- **This will usually take place when a child has settled into Nursery and has been in 10 weeks.**
