What are the children learning at school – curriculum overviews

Thank you to everyone who has completed the Parent View questionnaire we sent out earlier this term. It is really helpful to get your feedback. A few people noted that they would like more information about what their children are learning. We will email families a copy of the curriculum overview for their child this term this week. As always, these may also be viewed on our website at www.shanklea.northumberland.sch.uk

Macmillan Cancer Support Coffee Morning

Shanklea Superstars

We are very proud of **Will W** who has achieved another stripe on his belt at Jiu Jitsu this week. He continues to work extremely hard to develop his martial arts skills. Well done Will!

Congratulations to **Jonathan** and **Anthony M** who ran the Mini mile in the Children's Cancer run and raised **£140** for this fantastic charity. Well done!
