Weekly Newsletter

Important Reminder

It is extremely important that children **do not bring any foods or other items into school that contain nuts or traces of nuts**. For example, Nutella bars, peanut butter spread, some biscuits in packed lunches. Please check wrappers carefully before sending things into school.

Another Busy Week and SATs

There has been lots of great work in evidence around school this week. The children have completed postcards for the Cramlington Jubilee Line which is being created by Cramlington Town Council. We have included a few of their fantastic designs with this newsletter.

We would like to say a huge WELL DONE to all our children who have completed SATs tests this week. Their determination to do their best has been incredible and we are extremely proud of them all. Thank you too to everyone else in school who have shown consideration for the children completing their tests.

Children's Cancer Run

The Children's Cancer Run will take place on **Sunday 15th May 2022**. Our Office Team have distributed run packs to Shanklea families who had registered before 3rd May. Anyone who signed up since 3rd May will have received an email asking them to come along to the Racecourse over the run weekend in order to collect their packs. Pick Up Packs will be open from 10am to 12noon on Saturday and 9am to 12noon on Sunday.

The organisers will also be offering a t-shirt exchange over the run weekend for anyone who wishes to change their t-shirt size.

It is important to note that **this is not a school led event and parents/carers retain responsibility for their children throughout**.

Shanklea runners have a start time of 11am and should park in Car Park B.

Year 1 Phonics Screening Check

Year 1 parents and carers have received a letter this week inviting them to attend a meeting in the school hall at 3:30pm on Monday 16th May to discuss the upcoming Phonics Screening check that all Year 1 will be taking part in in June.

Shanklea Jubilee Lunch – save the date

Parents and carers will be invited to join their children for **lunch** on **Friday 27th June 2022** to celebrate the Queen's Platinum Jubilee. This event will be dependant on the weather as we are planning a picnic garden party on the school field. Children may pre-order a picnic lunch on the School Gateway and adults are invited to bring in their own picnic to enjoy with their child(ren). Reminder – no nuts or traces of nuts please. Details are being finalised and we will provide more detailed information soon.

Breakfast and Out of School Clubs

Bookings may now be made online on the School Gateway for Breakfast and OOSC in **June** and **July**. June bookings made before **Wednesday 25th May 2022** will not be liable to a late booking fee. If you need to make a June booking after this date you will need to contact our Office Team or complete a paper form which can be obtained from outside the office.

Please note: when booking on the School Gateway you need to make a booking on the relevant club (for example June 2022 OOSC 1st child), **NOT just make a payment**. This is because we need to know which session your child will be attending.

It is also important to note that you should always prebook our before and after school provision. We will always try to help in emergencies but we need to know how many children will be attending in advance of the session so we can ensure staff ratios are met and sufficient resources are available.

Attendance Matters

Families will be aware of the importance of children **attending school regularly** and **arriving promptly**, ready to learn. Last week's attendance percentages are shown below:
