#### Dear Parent / Carer

Your first application for a school place for your child is exciting but can also be confusing and worrying. The same can be said if your child is changing between schools at the end of a phase. Do we know everything there is to know? Have we made the right choice?

The Council has written this Handbook as a guide and aid for these important decisions.

The Handbook contains an explanation of the way schools in Northumberland are organised, the Schools' Admission policies and how to apply for your preferred school(s).

We include other information which will also be of use. The different school partnerships are explained as well as more general information.

More detailed information can be obtained from individual schools where they will explain the opportunities they can give. It is advisable to contact the individual schools you are interested in before submitting your application. I am sure they would welcome your interest.

A good education gives every young person the foundation for achieving to the best of their potential. The County Council wants to see every child given the best possible chance by providing the very best opportunities in education across Northumberland.

Schools are part of their communities and we encourage parents, and carers to be involved by becoming a Governor of the school, supporting the Headteacher and the staff team or by joining in with school activities.

All Northumberland Schools are inspected by Ofsted, the body that ensures that schools are educating and looking after children correctly. The reports are published and include their findings on how the school has performed in Teaching and Learning and its culture. It may be helpful to access the reports for the school's you are interested in either by contacting the school or via the website: www.ofsted.gov.uk.

Further useful information including an online version of this Handbook can be found on the Council's website: admissions.northumberland.gov.uk.

It is hoped that this Handbook provides all the information you need and has been designed to take you through the process without problems. If you have any queries or need further help to fill in the application forms then please contact the School Admissions Team on 01670 624889.

Children are our future and we want their years at school to be enjoyable. We want them to be happy in an environment they feel safe in. We want them to grasp every opportunity and be able to make their own choices.

We can achieve this with your support. I hope you find this guide helpful in making the right choices for your children.

Best wishes,

Cllr. Robert Arckless Cabinet Member for Children's Services.

#### **DATA PROTECTION**

In order to provide an effective education system that can respond to the needs of all children, systems are used that improve and standardise communication between schools and the County Council. Much of this data is held on computer systems and is subject to the Data Protection Act. The Data Protection Act says that information must only be used for the purpose for which it is collected. In the case of each child, the information will only be used by teachers to help the child's progress, by the DfE and educational professionals. Parents may request to know what information is being held in relation to their child by writing to the Headteacher of the child's present school. Further information regarding Data Protection can be obtained from the Northumberland County Council (NCC) website (www.northumberland.gov.uk). A link to this information is under About the Council then Contact Us then Information Governance (to the right of the page).

#### INTRODUCTION AND WELCOME

All parents whose children are due to start in a Reception class <u>must</u> complete an application form, even if their child already attends a pre-school or nursery class attached to a school.

#### **Deciding Your Child's School**

One of the most important decisions you will make in your child's education will be in deciding which school you would like your child to attend. Making that choice can involve a great deal of research and planning. The most important thing you can do before expressing your preferences is to find out as much information as possible about the school(s) you are interested in.

You do not have a right to choose which school your child will go to, you only have a right to express a preference. Our ability to meet your preference will depend upon not only the demand for places at an individual school but also on the number of places available.

#### Visit the School

One of the best ways to assess a school is by visiting it in person. You should make an appointment with the Headteacher if you wish to visit a school.

Consider the location of the school. When your child is older, will they be able to get to school alone?

A visit to a school does not constitute an offer of a place, nor does it give priority for places. Parents should not assume that a visit to a school constitutes any obligation on the part of the school or the Local Authority.

#### Obtain the school prospectus

Schools are required to publish an online prospectus. The prospectus can tell you more about a particular school than the Admissions Handbook. The Local Authority does not keep copies of individual school prospectuses; they can only be obtained from schools or school websites.

#### Check the performance tables

Every year the Department for Education (DfE) publishes Schools and Colleges Achievement and Attainment tables (formerly performance tables) for First and Primary, Middle, High and Secondary Schools. You can obtain a copy of a schools performance tables by contacting the DfE on 0800 242322 or on the DfE website at: <a href="https://www.dfe.gov.uk/performancetables">www.dfe.gov.uk/performancetables</a>.

#### **Research Ofsted reports**

It may be helpful to read Ofsted reports which are produced by the Government's School Inspectors. A report is available for every school and you can obtain copies from the school. However it should be noted that not all Ofsted reports are current. They can also be found on the Ofsted website <a href="https://www.ofsted.gov.uk/reports">www.ofsted.gov.uk/reports</a>.

#### **Admission Numbers**

All schools have a Published Admission Number (PAN) largely based on the size of the school building and their capacity to accommodate pupils. Once an admission number has been set, the admissions authority must respect that number. Pupils should not be admitted above the Published Admission Numbers unless exceptional circumstances apply.

#### **Oversubscriptions**

Some schools regularly have more applications than there are places to offer. Check the oversubscription table on page 112 in order to assess your likelihood of success in securing a place at your preferred school for your child.

# Useful Information

# SECTION 2

#### **TERM TIME HOLIDAYS**

Headteachers have the discretion to grant leave, but they will only do this in exceptional circumstances. If a headteacher grants a leave request, it will be for them to determine the length of time that the child can be away from school. Leave is unlikely to be granted for the purposes of a family holiday.

It is an offence to take your child on holiday during term time without consent from the school. Parents will be fined

#### **School Holiday Dates**

**School holiday dates for 2016/2017** are on the Northumberland County Council website you can access the dates by following the link below:

www.northumberland.gov.uk/schooldates

#### **Teacher Training Days**

As well as the School Holiday list schools are closed for a total of 5 Teacher Training Days per academic year. Your child's school will provide parents with details of their teacher training days. Details of the Teacher Training Days can also be found by following the link below on the Northumberland County Council website or by telephoning the School Admissions Team on 01670 623565.

**Teacher Training Days** are **subject to change** and are updated on a regular basis, the most up to date version can be accessed on the Northumberland County Council Website by following the link below:

# Admission Arrangements 2016/17

SECTION 3

#### **Admission Arrangements for 2016/17**

Local authorities must have co-ordinated admissions schemes. This means that you fill in a single form (Common Application Form) instead of applying separately to lots of schools.

Full copies of the Co-ordinated Admissions Schemes can be found on the Northumberland County Council website at admissions.northumberland.gov.uk.

If you live in Northumberland and wish to apply for a school outside of the County, you must complete the Northumberland Common Application Form. We will write to you on 15 April 2016 to let you know whether your application has been successful.

If you live outside of Northumberland and wish to apply for a Northumberland School, you must complete a Common Application Form from your Home Local Authority. Your Home Local Authority will inform you on 15 April 2016, whether your application has been successful

The questions and answers in this section are designed to explain the process you must go through to apply for a place in a Northumberland school and to provide further information to enable you to express the best preferences possible for your child's education.

#### How are schools organised in Northumberland?

Most school partnerships in Northumberland are organised as First, Middle and High Schools. Whilst other partnerships are organised as Primary and Secondary.

First Schools are for children aged 4 to 9 (Reception and years 1 to 4) Middle Schools are for pupils aged 9 to 13 (years 5 to 8) High Schools are for pupils aged 13 to 18 (years 9 to 13)

Primary schools are for pupils aged 4 to 11 (Reception and Years 1 –6) Secondary schools are for pupils aged 11 to 18 (Years 7—13)

Please see Section 6 for information about school organisation.

The Bede Academy, Blyth and the Northumberland Church of England Academy in Hirst, Lynemouth and Newbiggin are both 'all age' schools taking children aged 3 - 18. Parents of pupils who enter either of the academies at aged 4 will not need to make any further applications for school places unless they wish to transfer out of an academy. Bede Academy also has an entry point at age 11 (Year 7).

All Northumberland High and Secondary Schools have sixth form provision for pupils who wish to continue studying beyond the age of 16. Whilst most pupils who have Special Educational Needs or an Education, Health and Care Plan (EHCP) are taught within the First, Middle, High and Secondary School system, some attend Special Schools or units. There are 8 Special Schools in Northumberland (see page 111).

#### What are school partnerships?

Each school partnership is made up of one High or Secondary School, its feeder Middle Schools and their feeder First or Primary Schools. The teachers in each partnership work closely together and share information about pupils' progress and needs, and also plan joint activities.

#### What is meant by the school's catchment area?

The catchment area is the defined geographical area from which a school will expect to take in children. All Northumberland schools have a catchment area. You should check whether you live in the catchment area for your preferred school before applying. The School Admissions Team can advise you on the appropriate catchment area school for your postcode. Some schools have catchment areas on their websites, however these can sometimes be incorrect and the definitive catchment area maps can only be accessed via the County Council.

Catchment maps are now also available online and can be accessed through the Northumberland County Council Website at: (http://map.northumberland.gov.uk/ischools/)

#### What is meant by greater catchment area?

The greater catchment area for a school is the catchment area of the high or secondary school, ie all schools in a partnership that feed into a particular high or secondary school.

#### Where can I find out about the schools in my area?

Within this handbook there are the addresses and telephone numbers of all schools in Northumberland. You can see all the schools together with the schools they feed into in Section 6.

Section 6 also provides the following information about each school:

Whether the school has a nursery class

The Admission Authority.

The Published Admission Number (PAN) for the school.

Schools to which children are expected to transfer to or from.

The number of pupils admitted in the previous September.

As well as other information that you may find useful.

#### How do I apply for a school place for my child?

You must apply to the Local Authority area you live in. Each local authority has its own Common Application Form which you will need to complete even if you are applying for a school outside your Local Authority area. Only apply on a Northumberland County Council application form if you live in Northumberland.

You will be sent information about how to apply in October 2015. The admissions portal for online applications opens on 2 November 2015.

#### https://schadm.northumberland.gov.uk/ccsenterprise admissionsonline live/

You should complete an application form setting out the schools you would prefer their child to attend. You can express preferences for up to 3 schools. You need to set out the reasons for your preferences, using the criteria for prioritising applications: **stating a preference is not making a choice, places are allocated according to equal preference.** 

The criteria for Community and Voluntary Controlled Schools are set out in Section 4 of this handbook. the criteria for each Church Aided School, Foundation School, Trust School and Academies are set out in the section 5 of this handbook.

If you are applying to a Church Aided School or Academy you may be asked to complete a supplementary form. This form can only be obtained from the school you wish to attend. You should check with the school to see if a supplementary form is needed.

Parents applying for more than one school are also asked to rank these in order of preference. Not all school preferences can be met because there may be more applications than places available at schools.

The full admissions policy for Community and Voluntary Controlled Schools can be found on the Northumberland County Council website at admissions.northumberland.gov.uk.

Admissions criteria for Voluntary Aided, Foundation and Trust Schools and Academies can be found in Section 5 of this handbook. Full copies of the admission arrangements for these schools can be obtained from the school.

#### Why are Looked After Children given high priority?

The Government directs Local Authorities to give priority to children who are or who have ever been in the care of a Local Authority. There is also an expectation that when a child in care has to move within the school year, he or she is placed in a new school within 20 days of moving. If your child falls into this priority group you should ensure that the school admissions team is aware of this on application.

## What happens if my child has a Statement of Special Educational Needs or Education, Health and Care Plan (EHCP)?

When a school is named on a child's Statement of Special Educational Needs or Education, Health and Care Plan (EHCP) a place must be given to this child before any other places are allocated. However, this can only happen if it is known before the allocation process begins.

However, if your child has a Statement or and EHC and you are unsuccessful in gaining a place at your preferred school, you may appeal to the SEN Panel. Parents of children with a Statement or an EHC cannot appeal to the Admissions Appeal Panel

#### How are admissions to schools decided?

All applications are matched to an oversubscription criterion within the relevant admissions policy. Most Northumberland schools are County council maintained schools but voluntary aided schools, trust schools, free schools and academies set their own admission arrangements with their own oversubscription criteria. Individual school admission arrangements can vary significantly to those of the Local Authority and so parents should read them carefully before applying for a place. Within each criterion every applicant is ranked according to home to school distance. Using each criterion sequentially places are offered until the year group is full.

You should not make three preferences for the **same** school. There is a high risk that you will be unable to obtain a place in a school near to your home, or in the case of out of county families you could be offered no school place at all.

You cannot assume that you will be offered your first preference school; in a few cases parents may find that none of their preferences can be offered.

#### What is equal preference? How does it work?

The statutory 'Equal Preference System' is used to allocate school places. This means that:

- All preferences stated are initially looked at individually regardless of the order in which they have been ranked.
- The order that preferences have been ranked becomes important when it is possible to allocate a place for a child at more than one preferred school.
- In this instance a place will be offered at the available school you have ranked the highest.
- It is possible that applicant (A) who ranked a school as a lower preference, could be allocated a place ahead of other applicants who ranked the same school as a preference, if s/he (A) meets one of the higher oversubscription criteria.
- Where the child is not allocated a place at any of their preferred schools and is resident within another Local Authority, Northumberland Local Authority has no duty to allocate a place in another Northumberland school.

#### Which address will be used in determining my child's priority for admission?

The address of the parent with whom the child normally lives will be used in the allocation process. It is not possible to use an alternative address such as the address of the grandparents or a child minder.

In some cases, for example where shared parental living arrangements are in place, a child's address may be difficult to determine. In these circumstances the address used for child benefit purposes will normally be used, i.e. the address of the parent claiming the benefit.

Unfortunately, a small number of parents each year try to secure a place for their child by either providing false information or withholding relevant information on residency or planned residency.

In the case of oversubscribed schools all successful applicants will be asked to produce proof of residency.

If a place is obtained on the basis of false information, such as an incorrect address, it will be withdrawn.

#### What are the arrangements for forces families moving into Northumberland?

The School Admissions Code allows admission authorities to make special arrangements for returning families as long as they are posted to Northumberland and the posting is supported by an official letter that declares a relocation date and a Unit postal address or quartering area address.

Where a forces family is moving into Northumberland of their own volition the normal admission arrangements apply.

#### If I don't name my catchment school, will a place be kept for my child anyway?

If your catchment school is oversubscribed, places will be allocated to those who have applied for it. If you do not name the catchment area school on your application form, we cannot guarantee a place will be available should you be unsuccessful in obtaining a place at the other schools for which you have expressed a preference. In addition you will also lose any possible entitlement to transport as set out in the County Council Home to School Transport Policy (this can be found on the Northumberland County Council website under 'Young People'). We advise that your catchment school is always included as one of your preferences.

#### At what age can my child start school?

Admission is once a year on a full time basis in September if the child is four by 31 August 2016.

#### When is a child required to start school?

The School Admissions Code requires school admission authorities to provide for the admission of all children in the September following their fourth birthday. However, a child is not required to start school until they have reached compulsory school age following their fifth birthday. For summer born children this is almost a full school year after the point at which they could first be admitted.

# What flexibility is there for parents who don't feel their child is ready to start school in the September following their fourth birthday?

Some parents may feel their child is not ready to start school in the September following their fourth birthday. You can request that your child attends part-time until he/she reaches compulsory school age, or that the date your child is admitted to school is deferred until later in the same academic year. Your child must, however, start school full time in the term after its fifth birthday.

If I want to send my summer born child to school in the September after its fifth birthday, and I request that he/she enters the reception class, who is responsible for making this decision?

The admission authority of the school makes the decision based upon the circumstances of each case according to the submission or relevant information.

If my child has a place in a pre-school setting linked to a first school or a primary school, will I get a guaranteed place in the Reception class of that school.

No, you will need to apply for a school place in the reception class. Places will be allocated according to the school admissions policy for that school. You cannot be guaranteed a place.

What factors might an admission authority take into account when considering a parental request for a summer born child to be admitted to a reception class in the September following their fifth birthday?

Some of the factors to consider include:

- the needs of the child and the possible impact on them of entering year 1 without having first attended the reception class;
- in the case of children born prematurely, the fact that they may have naturally fallen into the lower age group if they had been born on their expected date of birth;
- whether delayed social, emotional or physical development is adversely affecting their readiness for school;
- you may not be able to keep your child's place in its current pre-school setting for another year.

# I have been told that it is not lawful for a child to be admitted outside of their normal year group. Is this correct?

The law does not prescribe the year group a child should be admitted to. There is no statutory barrier to children being educated outside their normal year group. The law does not prescribe the year group a child should be admitted to. You may apply for a year group outside of the normal year group but a school may refuse to accept your child.

# If I want my summer born child to be admitted to the reception class in the September following the fifth birthday, how do I go about arranging this?

You should discuss this as soon as possible with the schools you are interested in applying for and the local authority. You need to make it clear that you wish to apply for a reception place a year later than the year into which your child could have been admitted.

## What should a parent do if they are unhappy with an admission authority's decision about which year group their child will be admitted to?

Parents who are refused a place at a school for which they have applied have the right of appeal to an independent admission appeal panel. You do not have a right of appeal if you have been offered a place but it is not in the year group you would like. For example you are offered a Year 1 place but you would like a Reception place. However, you may make a complaint. All schools have a duty to consider complaints about the school and must have a published complaints procedure in place. Local authorities will also have a complaints procedure.

In the case of foundation and voluntary aided schools, academies and free schools, parents should make a complaint under the school's complaints procedure – because the governing body or academy trust is the admission authority. In the case of community and voluntary controlled schools, they should complain to the local authority – because they are the admission authority. There are further routes of redress available to parents who are not happy with the way their complaint to the school or local authority has been handled. Please see the additional information provided at the end of this document.

# If a child is educated outside of their normal age group whilst in primary school, what happens when they move to secondary school?

It will be for the admission authority of the secondary school to decide whether to admit the child out of their normal age group. Admission authorities must make decisions on the basis of the circumstances of each case, and will need to bear in mind the year group the child has been educated with up to that point

# If a child is educated out of their normal age group, when would they take their national curriculum tests (SATs)?

Children are assessed when they reach the end of each key stage, not when they reach a particular age so they will not miss out on taking important examinations

#### Where do I get an application form for admission to a First School or a Primary School from?

Parents of children currently in Northumberland nurseries will receive letters in November 2014 informing them of their child's Unique Identification Number (UID) which can be used to apply for a school place online.

Telephone enquiries should be made on (01670) 624889

For online applications:

https://schadm.northumberland.gov.uk/ccsenterprise admissionsonline live/

Preference forms for all children are also available from schools, School Admissions in County Hall, Morpeth or the County Council's website (admissions.northumberland.gov.uk).

#### What if I want my child to go to a school outside Northumberland?

You must complete a Northumberland Common Application Form naming your out of county school and return it to the School Admissions Team, Wellbeing and Community Health Services Group, County Hall, Morpeth, NE61 2EF. We will then co-ordinate your application with the appropriate authority and let you know if they are able to offer your child a place.

I live outside Northumberland. Which form should I complete, where do I send it and who will tell me if the application has been successful?

#### You should complete a form for the Local Authority area you live in.

Your Local Authority will then give us a list of all children in their area applying for Northumberland schools. Your child's application will be on this list along with any others. We will let your Home Local Authority know whether we can offer your child a place. Your Home Local Authority will write to you on Offers Day (15 April 2016) to let you know if your application has been successful.

#### What is the closing date for applications?

Application forms should be handed in at a school or posted to the appropriate Local Authority by 15 January 2016.

#### What if my application is late?

If you return your application after **15 January 2016** your application will be classed as Late unless exceptional circumstances exist. The Local Authority will consider your reasons, provided they are received before **19 February 2016**. If they are exceptional, your application will be considered along with those received on time. Examples of what may be considered as exceptional circumstances are a family who have just moved into the area (proof of ownership or tenancy agreement will be required). If your reasons are not exceptional then your application will not be processed until after **15 April 2016**. You should be aware that this will reduce your chance at gaining a place at the school you want.

#### What if my application is for another year group?

Applications to other year groups in all First and Primary schools will be dealt with during the summer term.

#### What do I do if I feel I have exceptional grounds for a late application or change of preference?

If you feel that there are exceptional reasons for this, please contact the School Admissions Team on 01670 624889.

#### What do I do if I move house after I have submitted my application?

You will need to provide proof of purchase or residency before your child's record can be changed.

#### If my application is considered as a late application, what will happen?

If your application is late and is not considered as exceptional, and one or more of the schools you express a preference for is oversubscribed from applications received on time, you will not be offered a place. This will be the case even if you live in the catchment area. If you are a Northumberland resident you will be offered a place at a school at which there are places available.

#### When will decisions be made?

You will be notified of the offer of a school place on 15 April 2016 either by email, if you applied online, or by letter. Online applicants will also receive a letter.

Please do not contact the School Admissions team before 15 April 2016 regarding your allocation as they will be unable to give you an answer.

#### If I apply for more than one school, will I be offered a place at each one?

You can apply for up to 3 schools, but we will only offer a place at one of these schools. When it is possible to offer a place at more than one school, we will offer the school you have ranked highest. This is why we ask that you place the school you would most want your child to attend as number one.

#### My child has been offered a place at a school. What happens next?

If you are happy to accept a place at the school offered to you, simply return the tear-off slip on your offer letter to the school. The school will then contact you to let you know details of any planned visits and/or parents information meetings. The first day of the new school year for Northumberland will be **6 September 2016**.

# What can I do if my child does not get a place at the school I would like him/her to attend, can I appeal?

Parents have the right to appeal. Admission appeals are heard by an independent panel, which will decide whether the effect of admitting additional pupils to a full year group is outweighed by the effect on the individual child of not being admitted into the school.

An Appeal Panel cannot change the admissions policy or oversubscription criteria nor can it consider questions over the way in which the County Council organises its schools or the way the school organises its classes.

The Panel is convened at the request of parents to consider the merits of their individual cases and its decision is binding on the school and the Admission Authority.

Appeals to First and Primary Schools may be subject to 'Infant Class Size Legislation'. Such appeals are difficult to win – refer to the paragraph below.

If your child has a Statement of Special Educational Needs and you are unsuccessful in gaining a place at your preferred school, it is the SEN Tribunal that hears the appeal. Parents of children with a Statement cannot appeal to the Admissions Appeal Panel.

Full details of appeal arrangements will be sent to parents whose applications are unsuccessful. Following an unsuccessful appeal, the County Council will only consider a re-application for the same school during the same academic year when it is clear there has been a significant change in the circumstances of the case. Appeals must be lodged within 30 school days of receipt of the refusal letter.

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents should contact the school for information on how to appeal for a place in those schools.

#### What does Infant Class Size Legislation mean?

Section 1 of the School Standards and Framework Act 1998 limits the size of an infant class (i.e. a class in which the majority of children will reach the age of 5, 6 or 7 during the school year) to 30 pupils with a single school teacher.

This means that appeal panels can only uphold appeals in very limited circumstances

Where a child has been refused admission to a school on infant class size prejudice grounds, an appeal panel must consider the following matters:

- a) whether the admission of an additional child/children would breach the infant class size limit;
- b) whether the admission arrangements (including the coordinated admission arrangements) complied with the mandatory requirements of the School Admissions Code and Part 3 of the School Standards and Framework Act 1998;
- c) whether the admission arrangements had been correctly and impartially applied in the case in question; and
- d) whether the decision to refuse admission was one which a reasonable admission authority would have made in the circumstances of the case.

It is difficult to win an appeal if your refusal is based upon 'Infant Class Size Legislation' but you still have the right to appeal.

#### Can my child's name go on a reserve list?

If you are refused a place in a school your child's name will be placed automatically on a reserve list. **Reserve lists will only be kept until 31 December 2016**. If a place becomes available, it will be allocated using the oversubscription criteria. It is possible for your place on a reserve list to change when new requests for places are received.

Some Voluntary Aided schools, Trust schools and Academies keep their own waiting lists which you can request to be placed on.

#### What if I am moving home in-year?

Parents sometimes move house during their child's career at school and should complete an In-Year Transfer form and return it to the School Admissions Team. Parents should note that the following schools are their own admissions authority for in-year admissions and parents should contact the individual schools directly: Morpeth Road Primary, Croftway Primary and Malvins Close Primary Schools, Blyth, Bede Academy, Northumberland Church of England Academy.

When distance permits, parents often wish their child to continue in their present school in the interests of educational continuity. When the move means that the parents are no longer living within the designated catchment, the child may continue at the school. However, when the return travelling time is more than the recommended 90 minutes a day for pupils of First School age, 90 minutes a day for pupils of Middle School age or 150 minutes a day for pupils of High School age, parents are strongly urged to consider moving their child to a school nearer to their new home. This is because long travelling times can have a detrimental effect on a child's education and limits their ability to take part in after school activities.

Additionally, entitlement to home to school transport to the child's present school will discontinue if:

The school is no longer the designated catchment area school for the new home address, or

The school is not the nearest school for attending on denominational grounds,

The travelling times are greater than those set out above.

The cost of transport could therefore prove costly to parents if their child remains at their present school.

#### Do I need to think about school transport?

or

School transport is explained in the Northumberland County Council Home to School Transport Policy. Generally speaking transport will only be provided to your catchment school or the school nearest to your home address and in accordance with statutory legislation.

All applications for free transport will be made using the latest Home to School Transport Policy in the context of the school system in the area at that time. This means that it is possible that younger siblings may not be eligible for transport costs in the same way as the older brothers or sisters. You are advised to check eligibility for transport before you apply if you are requesting a place at a school other than the catchment school

If you think this may apply to you please contact the School Admissions Team or the Home to School Transport Team for further advice.

#### If my child has a brother or sister in the school, will he or she be allocated a space at that school?

Not necessarily. Attendance at a school by an older brother or sister is only one of the factors taken into account when allocating places at schools that are oversubscribed. Parents need to consider that they may find themselves in the position of siblings attending different schools.

#### What if my child is unable to attend school?

There may be occasions when children are temporarily unable to attend school e.g. because of long-term illness or permanent exclusion. At such times the Local Authorities Education Other Than At School (EOTAS) Service will liaise with schools and other involved agencies in order to make alternative educational arrangements.

#### What if I want to educate my child other than at school?

Some parents may choose to educate their children other than at school. Often this means educating a child at home. The County Council has a legal duty to ensure that children who are not educated at school do receive a suitable education. The County Council's Education Other Than At School Advisory Team fulfils this role. The team will also offer guidance to parents who are undertaking to educate their child other than at school. For a copy of the County Council's guidelines on Education Other Than At School, please contact the EOTAS Service, telephone: 01670 624182.

#### What if I have a complaint about a school?

Each school has a complaints procedure, details of which can be requested from the Headteacher. The County Council also has a complaints procedure, details of which can be obtained by calling Wellbeing and Community Health Services Group 0345 600 640062. You can only use the County Council's complaints procedure if your complaint has not been addressed using the school's complaints procedure.

#### Where do I send my application?

If you are a Northumberland resident you can either hand the application form in at any First or Primary School or post it to:

The School Admissions Team, Wellbeing and Community Health Services Group, County Hall, Morpeth, NE61 2EF.

#### Things to watch for

**Dates** Do not miss the closing date for the common application form. Also check dates for supplementary forms.

**Priority categories** If you think your child fits a particular priority category you must mention this on the form for it to be considered. Check what evidence you need to provide.

**Address** What proof of address will be needed? If parents live apart and a child spends part of the week with each, whose address can be used?

**Siblings** Check who counts as a brother or sister particularly if stepfamilies are involved.

**Medical or social need** Do you need a letter from a doctor, psychologist or social worker?

**Supplementary forms** Some schools, particularly faith schools, have a supplementary form. This is an extra form for further information about things like church attendance. Check where and when you need to send this and what evidence you need to provide..

#### **IMPORTANT**

If you live in another Local Authority area you should apply through your Home Local Authority.

# Admissions Policy for Northumberland County Council's Community and Voluntary Controlled Schools

SECTION 4

## Northumberland County Council Admissions Policy for Community and Voluntary Controlled Schools - 2016/17

#### These admission arrangements do not cover VA Schools, Trust Schools or Academies.

Make sure you understand the admissions criteria fully before you complete the form and remember that circumstances can change from year to year, for example there may be an unusually high number of children living in the catchment area.

#### **Admission to First/Primary Schools**

- 1. The County Council's admission arrangements reflect the requirements of the School Admissions Code which can be found on the DfE website.
- 1.1 Admission will be once a year on a full time basis in September if the child is four by 31 August 2015.
- 1.2 The County Council is obliged to admit all applicants to a particular school provided these do not exceed the school's Published Admission Number (PAN).
- 1.3 The Published Admission Number of each school for entry in September 2016 is published in the Admissions Handbook.
  - This publication will be available in September 2015 and can be provided by the School Admissions team on request. Full admission arrangements can be found on the Northumberland County Council website.
- 1.4 In accordance with the School Admission Code, children with a Statement of Special Educational need or an Education Health and Care Plan (EHCP) where the school is named in the Statement or EHC Plan will be given priority of admission.
  - In addition, those children who are deemed to be 'looked after' or who have previously been 'looked after' will be given priority of admission.

The priority order for considering the remaining applications is as follows:

- 1. Pupils living within the catchment area of the school and those on whose behalf firm evidence is presented that they will be living in the catchment area by the appropriate admission date.
- 2. Pupils with special circumstances, on whose behalf evidence of exceptional medical or exceptional social need is presented. For example, where one or both parents or the child have a disability that may make travel to a school that is further away difficult. Evidence must be supported in a written statement by a professionally involved third party, such as a doctor or a social worker.

NOTE: Supporting evidence should set out the particular reasons why the school in question is the most suitable school and **must** be submitted at the time of application. If you apply online you must post your information to the School Organisation Manager by 15 January 2016. You will not be allocated a place under this criterion if you omit to send to the School Organisation Manager a written statement from a professional third party.

3. Pupils with siblings already in the school and who are expected to be on roll at the school at the time of admission who live within the greater catchment area of the school partnership.

For the purpose of admissions siblings are deemed to be brothers and sisters, step brothers and sisters, adopted brothers and sisters and other children who reside permanently in the household and are treated as siblings.

- 4. Pupils living within the greater catchment area of the school partnership and those on whose behalf firm evidence is presented that they will be living in the partnership catchment area by the appropriate admission date.
- 5. Pupils who have a sibling who already attends the school.
- 6. Pupils on whose behalf preferences are expressed on grounds other than those outlined above.

- 1.5 Parents will be asked to provide evidence of residency if the requested school is oversubscribed. The Local Authority reserves the right to withdraw a place at a school if information relating to address or any other matter is found to be false.
- 1.6 Where there are more applications than places available, children from multiple births will be given priority within each criterion. If a further tie break is necessary distance between home and the school will be used to prioritise applications (see below).
- 1.7 Should it prove necessary, because places are limited, to distinguish between pupils in any given category priority will be given to those who live nearest to the school, measured in a direct line ('as the crow flies') from the front door of the home to the main gate of the school. The distance checker is contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement
- 1.8 Applications on behalf of children who are resident in other Local Authority areas will be considered in the same way as applications from Northumberland residents.
- 1.9 Children with disabilities will be treated no less favourably than other applicants for admission. Schools are under a duty to make reasonable adjustments to ensure that pupils with disabilities are not placed at a substantial disadvantage, and no child will be refused a place on the grounds of disability. A pupil has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.
- 1.10 The County Council reserves the right to vary these criteria to take account of revisions to legislation or its interpretation by the courts.
- 1.11 In cases when an application for a place has been unsuccessful, the child's name will be placed on a reserve list for the school in question under the appropriate Co-ordinated Scheme. Under the Co-ordinated Scheme, reserve lists will be maintained until the end of the first term of the school year to which they relate. No further arrangements will be made to maintain reserve lists after 31 December 2016.
- 1.12 Those parents whose application to a school has been unsuccessful will be notified of their right of appeal to an Independent Appeal Panel. The School Standards and Framework Act 1998, gives this right to all parents whose application for a school has been unsuccessful. The decision of an Appeal Panel is binding on both the Admission Authority and the school. The School Admissions Appeals Code can be found on the DfE website at: <a href="https://www.gov.uk/dfe">www.gov.uk/dfe</a>.
- 2. Publication of the Local Authorities Information for Parents (2016/17) booklet

The Information for Parents publication for September 2016 entry will be available from the beginning of **September 2015**.

# Admissions Policies for Voluntary Aided and Foundation Schools, Trust Schools and Academies

SECTION 5

#### Types of school

The admissions authority is the official body which decides the rules on how children will get a place at the school and who is offered a place. Different types of school have different admission authorities. The headteacher is not part of the admissions authority and plays no part in deciding admissions to the school.

Type of School	Admissions Authority	
Community	Local Authority	
Voluntary Controlled	Local Authority	
Voluntary Aided	Governors	
Foundation/Trust	Governors	
Academies	Academy Trust	

The admission policy for each school is important. You should check the admissions criteria for each school that you are considering for your child to see what level of priority you have. If a school has been consistently oversubscribed and you have a low priority you should think seriously about the likelihood of your child being allocated a place there.

Please note that priority for admission must be given to children who are currently, or have ever been , in the care of the Local Authority (Looked After Children) and those with a Statement of Special Educational Needs or Education Health Care Plan which names the school.

Please note that these are not the full policies for schools. For the complete school policy contact the school you are electing as your preference.

Children with an Education, Health and Care plan or a statement of Special Educational Need Children who have an Education, Health and Care (EHCP) plan or a statement of Special Educational Need where the school is named as the most appropriate educational setting for the child will be admitted.

#### **Oversubscription Criteria**

Parents are asked to note that admission to the Nursery unit is no guarantee of entry into the main school.

Where there are insufficient places available to meet all parental preferences, priority will be given to applications in the following order:

(First priority in each category will be given to children who will have older siblings attending the school in September 2016).

- 1. Looked after Catholic children in the care of a local authority or children that were previously looked after by a local authority and immediately after that became subject to an adoption, child arrangements or special guardianship order (see definitions).

If applicants are seeking admission under criteria 5 or 6 above, they must provide a letter of support to confirm their church membership from their minister or faith leader.

#### Tie-breaker

Where there are places available for some, but not all applicants within a particular criterion, distance from home address to the school entrance will be the deciding factor, with preference being given to those whose home address is nearest to the school, when measured in a straight line "as the crow flies" between the front door of the child's home and the main gate of the school. The distance checker is contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement.

#### **Waiting Lists**

If your child has been refused admission, you can request that your child's name be placed on the school's waiting list. If places become available, we will consider all relevant applications based on the waiting list which will be maintained for the full academic year.

We must give priority to children in the care of the local authority (children looked after), children who were previously looked after, but were then adopted (or became subject to a residence order or special guardianship order) and those with special educational needs, which names the school. Children of staff employed by the school for two or more years, or newly employed staff who meet a skills shortage in the school, will be prioritised.

#### Waiting List

## TRUST SCHOOLS

## Ashington Learning Partnership Trust 2016/2017

The Governing Body intends to admit up to the Planned Admission Number in each year group as follows:

Central Primary School	120 156 56	Years R-6 Nursery 2-year-olds
Bothal Primary School	90 104 40	Years R - 4 Nursery 2-year-olds
Ashington High School	210	Years 7 – 11

The admissions policy criteria will be applied on an equal preference basis. When a school is oversubscribed, after admission of pupils with Statements of Special Educational Needs where the school is named in the statement, priority for admissions will be given as follows:

- 1. Children who are deemed to be 'looked after' or who have previously been 'looked after' in the care of a local authority.
- 2. Pupils attending another school within the ALP.

This does not include our Nurseries at Central Primary School and Wansbeck Primary School.

3. Pupils who have a sibling already attending another school in the ALPT (Reception to Year 11) or who will be attending on the expected admission date.

For the purpose of admission, siblings are deemed to be brother and sisters, step brothers and sisters, adopted brother or sisters and other children who reside permanently in the household and are treated as siblings. As a tie breaker multiple births will be treat as one admission.

4. Pupils who reside within the catchment area of the school for which they are applying, or where firm evidence can be provided that they will do so by the proposed admission date.

Parents will be asked to provide evidence of residency if the requested school is oversubscribed. Evidence will comprise of the child's birth certificate and Utility Bill dated within 3 months of application. In the case of a false address being submitted any offer of School place will be withdrawn. If there are any children with identical dates of birth the child living nearest to the school will be given preference.

**Please note** that where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday - Friday) during term time. Where there is a clear 50/50 split parents should decide.

5. Pupils attending a feeder school to the school applied for:

#### **Ashington High School**

Bothal Primary School Central Primary School Ellington Primary School Linton Primary School Pegswood Primary School

#### 6. Children of staff at the school

Priority will be given to children of staff in the following circumstances:

- a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, or
- b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

## 7. Children of UK Service Personnel

For families of service personnel with a confirmed posting to the ALP's catchment area, or crown servants returning from overseas to live in the ALP's catchment area, we will:

- a) allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address.
- 8 Children eligible for Pupil Premium or Service Premium

Pupils in receipt of FSM, EVER6 or service funding.

9. Pupils with exceptional medical or social needs supported by evidence that specifies the school applied for.

Evidence must be a written statement by a professionally involved third party such as a Doctor or Social Worker. This written statement must be submitted at the time of application and will be treated confidentially.

10. Applications from children who meet none of the criteria above.

The ALP welcomes applications from all pupils and we are obliged to admit all pupils provided our PANs are not exceeded. However, where there are places available for some but not all applications, the following 'tie breaker' will be applied:

Distance from the front door of the child's home to main gate of the school will be the deciding factor with preference being given to those whose home address is nearest to the school as measured in a straight line ('as the crow flies'). The distance checker is contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement. Catchment areas for the schools may be viewed at <a href="http://map.northumberland.gov.uk/schools/">http://map.northumberland.gov.uk/schools/</a>

Children with disabilities will be treated no less favourably than other applicants for admission. Schools are under a duty to make reasonable adjustments to ensure that pupils with disabilities are not placed at a substantial disadvantage, and no child will be refused a place on the grounds of disability. A pupil has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Parents should note that the two primary schools should be treated as separate for the purposes of admissions applications although a place will normally be offered within the ALP if one is available.

Parents should also note that entry into one school within the ALP does not guarantee automatic entry into the next phase as the admission criteria will be applied at each school phase change (Reception and Year 7).

In cases where an application for a place has been unsuccessful, parents may request that the child's name be placed on a waiting list for the school in question. Waiting lists can only apply to transfer year groups; Reception and Year 7 and will only be maintained until 31st December of the year in question. A place on the waiting list does not affect your right to appeal.

#### **BEDE ACADEMY**

## **Primary Years (Reception to Year 6)**

The Academy operates alongside Northumberland Local Authority and the National Guidelines on Admissions and Appeals, although Bede (and not the Local Authority) is the Admissions Authority for entrance into the Academy and is responsible directly to the Department for Education for all Admissions and Appeals.

Places are offered to prospective Reception students at the same time as places are allocated within all other Northumberland schools. This is co-ordinated between the Academy and the Local Authority but all queries and appeals are handled by Bede Academy directly. The Published Admission Number for entry into Reception for September 2016 is 90. As an all-age Academy, Year 6 students transfer as of right to Year 7. When oversubscribed, Bede Academy allocates its 90 places in Reception against priorities of:

For children who live at two addresses the criteria apply to the address where the child spends the majority of their time.
  - NB: This criteria does not include older siblings who will be in the sixth form at the time of admission or younger siblings who are or will be in the nursery at the same time.
- 5. Children living outwith the catchment area of the academy. Distance will be measured in a straight line from the front door of the child's home to the front gate/main entrance of the nearest campus of the academy.

## **Multiple Births**

Where there are more applications than places available children from multiple births will be given priority within criteria 2, 3 & 4 above. If a further tie break is necessary distance between home and the academy will be used to prioritise applications (see criteria above).

## **Waiting Lists**

If you are unsuccessful in being allocated a place at The Northumberland Church of England Academy for September 2015 you will be placed on our waiting list. This list is ranked according to the same criteria as those used for admissions. You will be asked to notify us that you wish to be held on this list and will be contacted directly a place is available.

## **Cramlington Village Primary School**

## **Admission to Reception in September 2016**

#### Agreed admissions number

The school will admit 30 pupils to reception in 2016-2017.

## **Children with Statements of Special Educational Needs**

Cramlington Village Primary School will admit any statemented pupil whose statement names Cramlington Village Primary School and for whom the school has agreed to be named in the statement.

#### Oversubscription criteria

If there are more applicants that places, places will be offered in accordance with the following criteria in order of priority:

- 1. Looked After Children. Children who are looked after, or who have been previously looked after, by a local authority in accordance with Section 22 of the Children Act 1989 at the date the relevant application for admission is made, and who the local authority has confirmed will continue to be looked after by it in accordance with the said section at the time they are admitted to the school.
- 2. Pupils with exceptional medical or exceptional social need (evidence must be supported in a written statement by a professionally involved third party, such as a doctor or a social worker). Children for whom it is essential to be admitted to this school because of special circumstances to do with significant medical or social needs evidenced by written professional advice, explaining why these needs can realistically only be met by Cramlington Village Primary School. The definition of what constitutes medical or social needs for this purpose will be set out in the school's prospectus.
- 3. Pupils whose parents are regarded as 'founding members' and who continue to be actively involved in the leadership of the school at the start of term in September 2016.
- 4. Pupils who, on the date of admission, will have a sibling already enrolled in the school. (For the purpose of admissions siblings are deemed to be brothers and sisters, stepbrothers and sisters, adopted brothers and sisters and other children who reside permanently in the household and are treated as siblings.)
- 5. Priority for 5 of the remaining places per class, will be given to children who are entitled to free school meals at the time of application and who have successfully applied to the Local Authority and who have received written confirmation of their child's entitlement to free school meals. This amounts to 16% of the overall intake per class, in line with the average for the town. These places will be awarded by random allocation at a meeting monitored by an independent adjudicator.
- 6. After places have been filled using the criteria above any remaining places will be awarded by random allocation to pupils within a 10-mile radius of the school entrance doors at a meeting monitored by an independent adjudicator.
- 7. Where applications are received from twins, triplets or same-year siblings, the following procedure will be followed. If one child is selected for a place the twin/triplet/same-year sibling will automatically be selected. If school places are oversubscribed the family name will be entered into the list available for random allocation rather than individual children's names because when one child is allocated a place it automatically secures a place for the other child(ren).

#### Reserve list

In addition to the right to appeal, unsuccessful applicants will be offered an opportunity to be placed on the reserve list. The order of the reserve list will be determined in accordance with the order determined by the over-subscription criteria.

The reserve list will be maintained until 31st August .

Vacancies arising between the offer day and the 31st August will in the first instance be offered to applicants on the reserve list.

## Waiting lists

On 1st September 2016 applications on the reserve list will be placed on the waiting list. All applications on the waiting list will be considered for any vacancies occurring during the period between 1st September and 31st December 2016 in accordance with the admission criteria.

#### **WEST TYNE FEDERATON**

The governing body of the West Tyne Federation, made up of Greenhead, Henshaw, Herdley Bank and Whitfield Church of England Voluntary Aided First Schools is the Admissions Authority for the three schools and they intend to admit up to 15 pupils to the reception year group in **September 2016**. This arrangement follows consultation between the governing body, the LA, all other schools in the area and all other Admission Authorities in the area.

The school is open to receive applications for admissions from the parents of all children. We must give priority to children in the care of the local authority (looked after children) and also to children who were previously looked after, but were then adopted (or became subject to a residence order or special guardianship order). Priority is also given to those children with a statement of special educational needs or Education, Health and Care (EHCP) plan, which names the school.

In the event of the number of applications exceeding the number of places available priority will be given to applications in the order of priority indicated below.

## **Over-subscription Criteria**

- 1. Children with a brother or sister at the school at the time when they would be admitted to the school.
- 2. Children who live in the Parishes of:
  - For Greenhead, the parishes of Greenhead & Haltwhistle
  - For Henshaw, Beltingham with Henshaw
  - For Herdley Bank, the parishes of Coanwood, Lambley & Knarsdale

- 4. Children of parents worshipping in another Christian Church who wish their child to attend this school because of its Christian foundation.
- 5. Children who have special medical needs or other special circumstances, (supported by medical/professional opinion)
- 6. Other children.

#### Tie Breaker

Where there are places available for some but not all applicants within a particular criterion, distance from home to school will be the deciding factor, with preference given to those whose home address is nearest to the school, when measured in a straight line (i.e. as the crow flies) from the front door of the child's home address to the main gate of the school using the Local Authority's computerised measuring system.

## **Waiting List**

The school offices will maintain a waiting list of applicants until 31 December each year. In the event of a place becoming available in the appropriate class during the year and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply.

## **Appeals**

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents should contact the school for information on how to appeal for a place in those schools.
