## Year 6 Trip to Edinburgh

Everyone had a phenomenal experience at Edinburgh and we were delighted to receive this message from our coach driver:

Thank you to all the staff, parents and children who have contributed to making this trip such a massive success.

Hi to all,

'It's Graeme the coach driver. Would just like to say what a great group of kids and teachers/parents. They were all very courteous, funny and a great group to have. Your school should be rightfully proud of them all. Please say thank you to them all for making my job easy (no rubbish on floor) and such fun! Thanks to the teachers for organising them which in turn made the trip hiccup free. You are miles above the schools I have had on previous NST tours. Wish them good luck at their high school next term.

## School Meals Questionnaire

Shanklea aims to increase the uptake of school meals from September 2016. To help us do this we would like to identify any barriers to children choosing to have a school meal and find ways of ensuring we deliver a premium service.

This week, you should have received a copy of a parents' questionnaire. Can parents please return these to school by **Monday 11th July**. Children will be completing questionnaires in school. Thank you for your continuing support.

## Shanklea Sports Day

### Thursday 14th July 2016: Early Years Sports Festival

9.30a.m. (Nursery am and KLR)

1.45p.m (Nursery pm and SHR).

### Friday 15th July 2016: Main Schools Sports Day

9.30a.m. Key Stage 1

1.45p.m. Key Stage 2

This is the children's chance to compete in lots of old school sports day favourites. There may even be a parents' race. So, if you never managed to participate in the egg and spoon race, the wheelbarrow race or other old favourite school sports day games, now is the time to do it..... Good luck!!

The children will be split into castle teams which will compete against each other in the different school sports day games throughout the tournament. The children are expected to arrive in school in the correctly coloured castle T-shirt and sports kit.

Alnwick: Red

Dunstanburgh: Purple

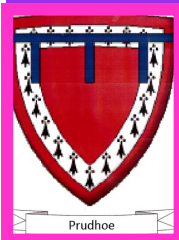

Warkworth: Green

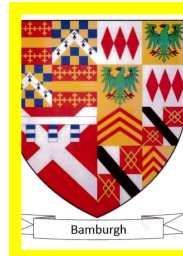

Ford: Blue

Prudhoe: Pink

Bamburgh: White

**Please note:** Bamburgh's castle colour is yellow but we would prefer children to wear white t-shirts as insects are drawn to the yellow ones.

All the games and races will be controlled by Mrs 'Headteacher' Brown, Miss Martin (P.E Sports and Extra-curricular Coordinator) and our young sports leaders who will explain all the rules, make sure everybody sticks to them and also keep score throughout the sporting events.

Hopefully the weather will be kind to us so can children please bring a bottle of water for re-hydration purposes. We hope you can come along and join in the fun

### Annual reports

Annual school reports and results are issued today. With your child's report, we

have included a letter detailing our new class structure from September 2016.

### Brazilian Carnival Arts Workshops

Next week, Shanklea children and staff will be experiencing the excitement of Brazilian Carnival!

Children will have the opportunity to participate in Samba dancing, create costumes and drumming. Hopefully the rain won't hamper our Rio carnival procession.
