

# Shanklea Stars of the Week

[illegible]

★ **Owen Russell** is an amazing boy who always comes in with a positive attitude. He has matured so much over the  
★ past year. We are very proud of him. ★

★ **Charlie Bowman** is making fantastic progress in Read Write Inc. He is always happy in school and makes everyone smile. ★★

★ **Isabelle Armstrong** is making an excellent effort and has worked hard in lessons this week. She produced a  
★ brilliant piece of writing including lots of facts about pirates.

★ **Maisie Adams** has completed some super work on money this week using lots of different coins. ★

★ **Charlie Hailes** has done some excellent work in English and Maths. He is working very hard. ★

★ **Lori Nicholson** has amazing writing skills. She is able to write with lots of detail and her choice of vocabulary is excellent. As a result, her stories are hard to put down. Well done, Lori.

★ **Eleanor Grey** is showing great maturity in class and has produced excellent results in accelerated reading tests. ★

★ **Maisha Muhith** has an excellent approach to her Literacy work and has a polite attitude. ★

★ **Lily Grace Hedley** is always keen and works hard in all areas of the curriculum. She is a happy, friendly member of the class.

★ **Gabriel Mair** has shown enthusiasm to research and learn more about mountains and volcanoes. ★

★ **Abby Patterson** has a mature attitude and is enthusiastic in English. ★

★ **Michael Clavering** constantly works hard in Maths and worked particularly hard in our recent tests. ★

★ **Caelan Pearson-Hartley** shows enthusiasm and makes a good effort in Maths and French lessons. ★

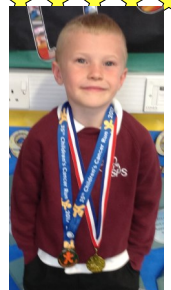

★ **Connor Bentinck** shows reliability, organisation and has a great sense of humour.

★ **Martha Rawling** interacts well with all the children at OOSC and ensures that the younger children are involved in activities.

**Ethan McLeod** is jumping for judo joy having achieved more success . Keep up the good work, Ethan.

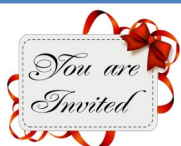

**Josh Smith** is doing really well and is a real fitness guru! He is shown here with some well-earned medals.

# Shanklea Superstars

**Jay Marshall** is a fantastic footballer. He is shown here with his 2016/17 season award from New Fordley Juniors Football Club.

## Year 2 Assembly

Parents and grandparents are cordially invited to come along to our Year 2 assembly on **Monday 26<sup>th</sup>**

**June, 2.45pm.** The children from Mrs Downes and Miss Spence's classes have been working very hard to produce a fantastic assembly for you.

**Olivia Coxon** has already progressed in her gymnastics and has achieved her Level 7 Beam award. Well done, Olivia.

# Shanklea Primary School

*"We provide a happy, caring and stimulating environment where children recognise and achieve their fullest potential"*

## Transition Day

On **Thursday 29<sup>th</sup> June 2017**, we will welcome some excited children from local Nurseries, who are joining our Reception classes in September, for a Transition Day.

We have a well established transition programme at Shanklea which begins as soon as a place at the school is offered to a pupil.

The rest of the school community (Current Reception children and years 1-5) will also complete a 'Getting to Know You' session on the same day to give them a taste of lessons and an opportunity to make new friends.

Our transition day sets the scene for September, allowing pupils to meet their teachers, find their way around the school, learn about the Castle system and have some fun in a range of lessons!

We aim to help all our students settle in to life at Shanklea quickly, with support from staff and older students who have taken on specific leadership roles to work with the new students.

## Pirates of the Curry Bean Year 5 and 6 Performance

Our very talented Year 5 and 6 children are preparing a spectacular end of year performance, Pirates of the Curry Bean. The performances will take place on **Wednesday 28<sup>th</sup> June 2017**. The matinee performance will start at 2p.m and the evening performance at 5.30pm.

Tickets are limited due to fire and other safety regulations. Please return your slips to school as soon as possible to avoid disappointment.

## Love Northumberland Awards 2017 Schools Sustainable Travel Award

We are proud and delighted to announce that Shanklea Primary School has been judged the **winning entry** for Schools Sustainable Travel. The award will be presented in The Pavillion at Alnwick Gardens by her Grace, The Duchess of Northumberland. Well done everyone who has made this success possible

## Non-Uniform Day: Friday 7th July

We would be very grateful if donations for our Summer Fair tombola and raffle could be brought into school on **Friday 7<sup>th</sup> July**.

As a Thank You for your help and generosity we would like to offer the children (and staff) the opportunity to come to school in non-uniform on that day.

If anyone would be able to make cakes or scones for sale at our Fair, could you please bring them in to school on Friday 14<sup>th</sup> July or on the morning of the fair. Thank you for your support.

## Y1 St. Mary's Lighthouse Monday 26<sup>th</sup> June 2017

Next week all of Year 1 should enjoy a fantastic visit to study the shoreline and rock pools near St Mary's Lighthouse. They will hopefully be as lucky with the weather, as the Year 2s, and take part in a carefully planned variety of activities to extend their understanding across a range of subjects including geography, history and science. They may even see seals off the coast, which I'm sure will be something they will never forget!

## Children's Cancer Run

Thank you for your  
fantastic support!

We are delighted to tell you that we raised a massive **£1017** for the North East Children's Charity at the recent Cancer Run in Gosforth park. We are very proud of everyone who took part in this brilliant challenge.

## Shanklea Travel Ambassadors

Congratulations to the Junior Travel Ambassadors who received their high viz sweatshirts this week. Thank you to our Business Manager Miss Brown for helping to design the logo and co-ordinating the purchase.

The JTAs' job is to make travelling to school safer and more active and help our friends get ready for the journey to secondary school. But remember, the most important thing is to have fun doing it!

The JTAs wear their sweatshirts at all times so everyone in school knows the important job they have.

# Shanklea Primary School

"We provide a happy, caring and stimulating environment where children recognise and achieve their fullest potential"

## Northumberland School Games 2017

The Sainsbury's School Games is an exciting four level (intra-school, inter school, county festivals and national finals) competition for school children in England. They are designed to build on the magic of London 2012 to enable every school and child to participate in competitive sport including meaningful opportunities for disabled youngsters. Against the elite teams of Northumberland, Shanklea put in outstanding performances in both the Golf and Tennis finals at the Northumberland School Games on Thursday 22<sup>nd</sup> June 2017. Our fantastic golfers achieved the Bronze Award and our wonderful tennis team came in a very creditable 4th overall. Everyone had a fabulous time as you can see from the photos of our golfing team. We'll include photos of our tennis players next week.

**Massive congratulations to all the children who took part**

**Golfers:** William Bruce, Alex Peet, Alex Willoughby, Harry Hansom, Harry Campbell, Hannah Atkinson, Isla Rutherford, Ellie Kennedy, Eva Black and Aimee Kitchen

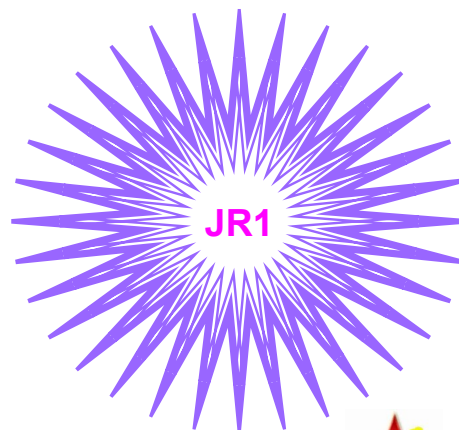

**Tennis Players:** Harrison Craik, Oliver Craik, Gabriel Mair, Max Smith, Freya Watson, Lucy Potts, Lily Oetting and Myriam Gaultier

## Attendance Matters

We are including information on attendance each week on our newsletter. We hope this will help encourage children, parents and school to work together to achieve the best possible attendance for each class.

Congratulations to **Mr Rutherford's class** who achieved an inspiring **100%** attendance last week.

Year Group	Average Attendance %
Reception	93.7
★ 1	99.2 ★
2	95.3
3	92.6
4	96.6
5	95.0
6	90.6

## Cool Milk

As everyone whose child has milk in school will be aware, there was a problem with the delivery on Monday and Tuesday this week. We are really sorry but the problem was beyond our control. Cool Milk have assured us that refunds will be credited directly to parents' individual accounts.

## What's on at OOSC

The theme at OOSC next week is "**All the Fun of the Fair.**"

There will be lots of age-appropriate activities including:

**EYFS:** Building blocks—construction projects and theme park rides activities

**KS1:** Theme park activities— including Big wheel, Pirate Ship, Helter Skelter

**KS2:** K-Nex construction—fairground rides.

## Keeping your child safe online

We have included some guidelines on internet safety for children at home for you to consider. We hope all parents will take some time to read through them to see some of the options available to help keep your child safe online.

# Keeping Children Safe Online Guidelines

## Safety controls on search engines

Setting SafeSearch on search engines means that the majority of sexually explicit videos and images will be filtered from search results, along with results that may link to explicit content. It isn't 100% reliable but is useful if you have a young child.

Restricted Mode on YouTube performs a similar function to SafeSearch – and both can be locked if you have a Google+ account. But these are device-level settings – meaning you have to set them on each tablet, phone or computer your child uses.

Google's SafeSearch setting enables you to filter out most adult content if an inappropriate search result gets through, you can report it to them.

You can also find information about safety features on YouTube, Google Play, Chrome and other services in the Google Safety Centre.

**To find out more:** [vodafone.uk/google](http://vodafone.uk/google)

Other search engines, such as Yahoo and Bing, offer their own safe search options. You will usually find them under 'settings'.

**See our online version at [vodafone.com/digitalparenting](http://vodafone.com/digitalparenting) for direct links to the parental support pages for each service we mention.**

## Parental controls on your home internet

Most UK broadband providers offer free 'whole-home' parental controls which apply to any device that connects to your broadband via your home hub.

Sky has parental controls turned on by default, and you have to choose to turn them off. For the others, you can turn them on yourself. Contact the company for details of how to do this.

Bear in mind that these controls only work on your Wi-Fi network, not when you're using 3G or 4G to get online. (See opposite for more about parental controls on mobile devices.)

### Vodafone Broadband

Vodafone Parental Controls are free and available to anyone with Vodafone Home Broadband. They protect all devices connected to your Wi-Fi and prevent access to inappropriate online content, such as violence and gambling, as well as websites with viruses or malware.

You can control your children's access to Wi-Fi at home by creating a guest 'family' network for them and then setting time limits on when the Wi-Fi is available via an app on your phone. You can download the Vodafone Broadband app for free at Google Play and Apple App Store.

**To find out more:** [vodafone.uk/home](http://vodafone.uk/home)

### Sky

Sky Broadband Shield works on all devices connected to your Sky home broadband and comes at no extra cost. You can customise your settings in three steps:

- 1) Choose a rating – PG, 13 or 18
- 2) Use the Watershed feature to set restrictions at specific times of the day

## Parental controls in your web browser

You can change the settings on the browser you use to access the internet. But if you use more than one browser, you'll need to change the settings on each one.

### Chrome

With Supervised User accounts on Google's Chrome, you can allow or block certain sites, see which ones have been visited and prevent apps being installed.

**To find out more:** [vodafone.uk/chrome](http://vodafone.uk/chrome)

### Firefox

The parental controls in Firefox let you filter web content that may be inappropriate or offensive for children.

**To find out more:** [vodafone.uk/firefox](http://vodafone.uk/firefox)

### Internet Explorer

Microsoft's Content Advisor enables you to prevent your child seeing websites containing nudity, violence and other inappropriate content.

**To find out more:** [vodafone.uk/IE](http://vodafone.uk/IE)

## Third-party parental controls

You may decide to use a dedicated parental control solution to block inappropriate content. If you already have a security suite on your computer, check whether it includes parental controls. You may not need a third-party one. Some are free, but most will cost you an annual subscription.

### McAfee Family Protection

(Paid for)  
**To find out more:** [vodafone.uk/mcafee](http://vodafone.uk/mcafee)

### Norton Family

(Paid for)  
**To find out more:** [vodafone.uk/norton](http://vodafone.uk/norton)

### Net Nanny

(Paid for)  
**To find out more:** [vodafone.uk/netnanny](http://vodafone.uk/netnanny)

### Qustodio

(Free)  
**To find out more:** [vodafone.uk/qustodio](http://vodafone.uk/qustodio)

## Parental controls on your child's smartphone and tablet

Parental controls on tablets and smartphones can restrict specific sites and 'adult content'.

Mobile phone companies can filter content rated 18+ at network level. Contact your mobile phone company to check whether this filter is on or off.

### Smartphones and tablets

The UK's main mobile providers (e.g. Vodafone, EE, O2 and Three) automatically block 18+ rated content through the Active Choice network-level filtering system. But this only works if the device is connected via the mobile network, not Wi-Fi.

Your mobile's operating system may also include safety features and you can set restrictions on the App Store and Google Play (see p43).

### Android

(e.g. LG, Samsung, Sony, HTC, Huawei, Motorola, Amazon)

The Restricted User feature lets you choose which apps and content your child can access, such as the camera and Chrome web browser.

**To find out more:** [vodafone.uk/android](http://vodafone.uk/android)

**And scroll down to 'multiple user tips'**

### Windows Phone

(e.g. Microsoft Lumia)

The My Family option helps you to

manage the apps and games that your child is able to download to their phone. You can also set up Kid's Corner on your own Windows Phone so that if your child borrows your phone, they can only access age-appropriate content and not get to the rest of your stuff that you want to keep private.

**To find out more:** [vodafone.uk/](http://vodafone.uk/)

### Windows Phone

To set up Kid's Corner: [vodafone.uk/ios](http://vodafone.uk/ios)

### iOS

You can enable Restrictions on your child's iPhone or iPad and select 'on' or 'off' for features such as FaceTime, in-app purchases, and Safari.

**To find out more:** [vodafone.uk/apple-ids](http://vodafone.uk/apple-ids)

# Keeping Children Safe Online Guidelines

## Safety and privacy controls on social networks and apps

### Facebook

**Minimum age: 13**

**What can you set?** Decide who sees your posts and Timeline, unfriend people and block people.

To find out more and report concerns: [facebook.com/help/](https://www.facebook.com/help/)

### Instagram

**Minimum age: 13**

**What can you set?** Control your visibility for photos and videos to private and block people.

To find out more: [instagram.com/help/](https://www.instagram.com/help/)  
To report concerns: [instagram.com/report/](https://www.instagram.com/report/)

### Kik

**Minimum age: 13 with parental permission; 18 without**

**What can you set?** Manage who can talk to you and block people.

To find out more and report concerns: [kik.com/help/](https://www.kik.com/help/)

### Whisper

**Minimum age: 17**

**What can you set?** Block people and hide your location.

To find out more: [whisperapp.com/help/](https://www.whisperapp.com/help/)  
To report concerns: [whisperapp.com/report/](https://www.whisperapp.com/report/)

### WhatsApp

**Minimum age: 16**

**What can you set?** Control who sees your information, what you see, who you interact with and what you share.

To find out more and report concerns: [whatsapp.com/help/](https://www.whatsapp.com/help/)

### Snapchat

**Minimum age: 13**

**What can you set?** Choose who can send you Snaps, decide who can view your Stories and block people.

To find out more: [snapchat.com/help/](https://www.snapchat.com/help/)  
To report concerns: [snapchat.com/report/](https://www.snapchat.com/report/)

### Twitter

**Minimum age: 13**

**What can you set?** Protect your tweets so that only approved followers can see them, hide certain users' tweets from your timeline, block people from contacting you and make use of the quality filter.

To find out more: [twitter.com/help/](https://twitter.com/help/)  
To report concerns: [twitter.com/report/](https://twitter.com/report/)

### ooVoo

**Minimum age: 13**

**What can you set?** Prevent certain people from contacting you, block incoming calls, prevent people from seeing your photos and set video-call privacy options.

To find out more: [oovoo.com/help/](https://www.oovoo.com/help/)  
To report concerns: [oovoo.com/report/](https://www.oovoo.com/report/)

### ASKfm

**Minimum age: 13**

**What can you set?** You can allow or block anonymous questions, block specific users, delete answers from your profile and control other users' questions appearing on your profile.

To find out more and report concerns: [ask.fm/help/](https://www.ask.fm/help/)

## Safe movie on video websites

Movie and TV channels online offer a huge range of content for all the family. Some use a combination of password and PIN to set restrictions on viewing, based on age ratings.

Some let you create separate profiles for child users so they can only view child-friendly content. Obviously, these restrictions only work if you keep the passwords and PINs secret.

### YouTube

YouTube's Restricted Mode helps to screen inappropriate content that you wouldn't want your child to see.

To find out more: [youtube.com/yt/about/restricted/](https://www.youtube.com/yt/about/restricted/)

### BBC iPlayer

The Parental Guidance lock lets you manage the BBC content your child can access. In addition, the free BBC iPlayer Kids app contains CBeebies and CBBC favourites.

To find out more: [bbc.com/iplayer/parental-guidance](https://www.bbc.com/iplayer/parental-guidance)  
For more about iPlayer Kids: [bbc.com/iplayer/kids](https://www.bbc.com/iplayer/kids)

### Netflix

There are four maturity levels in Netflix parental controls (Little Kids, Older Kids, Teens and Adults) to help you control what your child watches.

To find out more: [netflix.com/parental-controls](https://www.netflix.com/parental-controls)

### Amazon Video and Amazon Prime

Amazon's PIN feature lets you set purchase and viewing restrictions on your registered devices.

To find out more: [amazon.com/gp/help/customer/display.html?ref=AVID\\_HELP](https://www.amazon.com/gp/help/customer/display.html?ref=AVID_HELP)

**Apple TV**  
Turn on restrictions to limit access to specific features – such as app purchases and multi-player games and content – on your Apple TV.

To find out more: [apple.com/tv/parental-controls/](https://www.apple.com/tv/parental-controls/)

### Sky TV

Using PIN-protected parental controls, you can restrict the programmes and channels your child can watch on Sky TV. In addition, the Sky Kids app contains thousands of children's shows and lets you filter them by age.

To find out more: [sky.com/parental-controls](https://www.sky.com/parental-controls)  
For more about Sky Kids: [sky.com/kids](https://www.sky.com/kids)

### TalkTalk TV Store

(previously called Bunkbox)  
TalkTalk TV Store has been integrated with the parental controls in the Xbox 360 and Xbox One. Safety features are also available in the Windows 8.1+ app.

To find out more: [talktalk.co.uk/tvstore/parental-controls](https://www.talktalk.co.uk/tvstore/parental-controls)
