

# Shanklea Stars of the Week

★ ★

★ These children have been recognised by their teachers for exemplary attitude and effort during the past week:

★ **Samuel Barber** did some super writing this week imagining he was a deep sea diver. He tried hard to sound out the words to spell.

★ **Bailey Lynch** always does the right thing and is a good friend at playtimes and lunchtimes.

★ **Charlie Ridley** has made an amazing improvement in Mental Maths. He scored an exceptional 15 out of 15 in his minute maths.

★ **Martha Davison** and **Charlie Bowman** have worked exceptionally hard in maths this week, reading and recording weight in kilograms. Well done!

★ **Riley Kelly** has a great work ethic in all his lessons. He is a brilliant role model for his friends.

★ **Ismail Mohammed** is producing a fantastic amount of work, answering more questions and showing great enthusiasm.

★ **Thomas Richardson** is always helpful and has an excellent approach to reading and writing.

★ **Zak Leadbitter** is showing an improved focus in all lessons and achieved a super result in a recent Maths test.

★ **Ellie Dial** has a fantastic attitude in Literacy lessons. She is trying really hard to improve her spelling and presentation.

★ **Emily Cowburn** always comes to school with an incredible attitude to learning.

★ **Alex Willoughby** has made a fantastic contribution to sports teams this week and always gets involved in classroom discussions in English. His enthusiasm is impressive.

★ **Collier Wiggins** showed amazing resilience during our tests this week. Well done!

★ **Ellie Reid** has impressed lots of teachers with her more mature attitude.

★ **Olivia Coxon** is maintaining a superb attitude to her work.

## Congratulations to our fabulous Year 1s

Our Year 1 children have completed their Phonics Screening Test. Mrs Allen-Coope, Mr Rutherford and Miss Harris are very proud of the children as they have all tried their best.

We would like to thank all the parents who have supported their children with Phonics as this has made a huge difference to the children and their phonic knowledge. Well done Year 1!

## Music Play Day

As part of the transition programme with Cramlington Junior Learning Village, a group of Year 6 pupils took part in a Music Play Day on Tuesday 12<sup>th</sup> June 2018.

The main aim of Learn to Play Day was to spread positivity about moving to secondary school and inspire pupils, regardless of their age, background or level of experience to appreciate the benefits of learning Music. The event is designed to give the children a better insight into how to play musical instruments together and possibly to help them find a new passion.

As well as taster lessons, there were also ensemble performances. As always, our children were amazing. We are very proud of their enthusiasm and can-do attitudes.

## Y3 Tennis Tournament

A big well done to our Year 3 tennis team that attended the recent Cramlington competition. The team performed really well and thoroughly enjoyed the afternoon - which was helped by the glorious sunshine, perfect tennis weather. Everyone played with enthusiasm, achieving a very creditable 4th place overall. Well done **Eryn, Freya, Dexter, Ellie-Mae, Leo, George, Thomas** and **Lori**.

## Science Surprise

Allan's STEM Magic Show – Is it Science, Technology, Engineering, Maths... or MAGIC?!

All primary stages enjoyed a STEM (S – Science, T – Technology, E – Engineering, M – Maths) magic show on Wednesday 13<sup>th</sup> June 2018.

The children's faces were amazing and they were astonished by the magic. How can touching someone's nose switch on a light?!

## Sponsor Shanklea School Cycling Sports Kit

The Cycling Crew are preparing well for their Dutch bike challenge and would like to get local businesses more involved in supporting the trip abroad. Can you, or a business you know, help us by in donating or supplying sports clothing for the Cycle Crew?

We are searching for a business partner whose focus is on building relationships with our community and helping to inspire and lead our pupils. We want to get local businesses noticed and ultimately encourage them to support our activities on a regular basis. If you know of anyone who may be interested, please let us know.

## Summer Fair: Raffle Tickets

Children will shortly bring home tickets for our Summer Fair Raffle. They cost £1 per strip. Please bring money and stubs to school as soon as you can. Please return any unwanted tickets so we can sell them to someone else. Thank you for your help. It is very much appreciated.

## New Reception Intake Evening

We have been looking forward to meeting the parents of the new Reception pupils who will be starting in September!

Our Parents Evening for the September Reception Intake took place on Wednesday 13<sup>th</sup> June 2018.

Parents were able to meet EYFS staff, have a look around the school and get all the information they need to help their child settle into school in September.

## OOSC Cupcake Day for Dementia Charity

Dementia affects people in different ways, depending on the type of dementia. The impact can be physical, emotional and psychological and can profoundly change the practicalities of everyday life.

Our OOSC children decided to bake cupcakes to raise funds for charities supporting people with dementia so families facing dementia get the help they need. We would like to thank them for their kindness and commitment and to say a big thank you to the Shanklea community for your support.
