Shanklea's Evening of Music

Shanklea Primary School has some very talented musicians who put on a spectacular show this week. The

spellbound audience were treated to songs and musical pieces from our choirs and children who learn musical instruments in school.

Special thanks to our teachers: Mrs Gaultier, Mrs Baxter, Mr Allan, Miss Harris, Mr McGregor, Mr Winter and Ms Yarrow for a brilliant evening with such a variety of music. It was a great night and such a brilliant atmosphere.

Thank you so much to the children and staff for bringing such wonderful entertainment to our Community and thank you to Shanklea parents for your tremendous support.

Fun Means To Learn to Read

In Year 1, children are teaching their very own owl babies how to read! Mrs Short has been developing superb strategies and techniques to help focus the children's minds in a new way and has empowered them with her reading challenges. The children are confidently learning and **LOVING** to read. We are so proud of them.

Enterprising Year 6 Students

Children from Mr McGregor's class had a fantastic day at the Grainger Market, Newcastle as part of the Virgin Money Business Enterprise. A very successful and enjoyable morning was had by all...

Reptiles visit Reception

Children in our Reception classes had some very special visitors this week. Animal Antics came in to school to

Friends of Shanklea

We welcome the help and support of the Friends of Shanklea who work very hard to raise money to provide additional equipment, treats and supplies for the children. Recently, members invested in a musical keyboard (which includes an amplifier) to help promote music skills and appreciation throughout the school. Many of you will

have heard it being put to maximum and fantastic use already at our Evening of Music. Thank you.
