Action Plan for the Improvement of Attendance and the reduction of Persistent Absence at Shanklea Primary School and Nursery

School Attendance Lead	Helen Brown
EWO	Dawn Westerby
Attendance Officer	Lesley McConnell
Administrative Clerk	Janet Harris

Philosophy

Shanklea Primary School recognises that regular school attendance is important since, without it, all the efforts of teachers come to nothing. Children need to attend school regularly if they are to enjoy the educational opportunities provided within the school and make progress. Absence can lead to educational disadvantage for a child and place them at risk of not achieving their full potential.

DfE Information

Improving attendance in our school, particularly of those pupils who are frequently absent, will lead to a reduction in pupils becoming Persistent Absentee (PA status) at primary school.

There is no doubt that early intervention with families who tolerate low levels of attendance will address these patterns and prevent the children becoming disengaged from school.

The threshold for persistent absence is 10%. This is to ensure that schools take action sooner to deal with absence.
