## Year 6 Transition

We understand that the transition from primary to secondary school can seem like a daunting prospect for both children and parents. We do appreciate the difficulties which the children can face and have tried to alleviate some of those feelings.

We have been involved in many activities over the year with your child's future school. These include:

**Maths Challenge, Music Play Day, English, Maths, Computing and Music staff visits and Science visit.**

A further transition day event will take place for selected students on **Friday 29th June 2018** at the JLV where our 'Shining Stars' in Maths and Science will attend an event for Gifted and Talented students. Children will further familiarise themselves with the amazing building, outstanding teachers and experience some hands-on learning.

We will try our hardest to ensure that the transition from primary to secondary is as smooth as possible for everyone and that pupils continue to build upon and maintain the progress they have achieved at our school.

There will be a transfer day on **Thursday 5th July**, when the Year 6 children will spend time at their new school. We will provide more information shortly.

## Year 1 Alnwick Castle Trip

This week, an Alnwick Castle trip grabbed the attention of Year 1 Shanklea students and sparked their excitement to learn by bringing Harry Potter and local history to life. The children had a fantastic day and were full of chat about their enjoyable learning experience.

Our Year 2 children will be visiting the castle on **Thursday 28th June**.

## Y3 Holy Island Trip

Shanklea students from Year 3 had the chance to visit Holy Island this week. This gave the children access to culture, history, and art by real-life experiences and tangible artefacts. Much fun was had by all.

## Non-Uniform Day in Support of Summer Fair

Excitement is building in school ahead of the **Shanklea Summer Fair** on **Friday 6th July**. We have been overwhelmed by the support from students and the community already and are looking forward to meeting so many of you on the day.
