Endurance Cycling Success

Endurance Rides from Belford to Wooler and Seahouses to Bamburgh

Monday 11th and 12th July 2016

Congratulations to the Shanklea Cycle crew who have successfully completed their Cycling Endurance Challenge this week. Dr Bike (Richard Rothwell), 20 children and Shanklea staff (Mrs Ainsley, Mr Allan, Mrs 'Headteacher' Brown, Mr Carr, Miss Martin, Mrs McConnell, Mrs Mc Clurry) and Mr Hartley had fun on their bikes. We did a lot of long distance cycling... and it was tough!

We saw many climbs in the road in front of us, miles from home, staring down vast slopes to the scenic views above the Northumbrian coast. It was an invaluable focus for all; not just the children but the staff as well. Exhausted and elated, we arrived very muddy at St. Cuthbert's Cave.

After an overnight in the Bunk

house at Seahouses, the second day loomed. Very few protestations were heard at breakfast, which was encouraging as the day had some killer climbs by anyone's standard and some busy roads toward Bamburgh. However, true to the Shanklea Spirit, nobody threw in the towel and refused to go on, and finally, ice-cream, coffee and chocolate cake reigned supreme!

The children deserve respect for being real Endurance Riders. They should be very proud of their achievement. They may not realise it now but that experience will stay with them for the rest of their lives.

A massive thank you to everyone who assisted with the trip— especially Mrs McConnell and Miss Martin who co-ordinated accommodation, food and transport for the event.

You can read more about our adventure on Twitter and photos should be on our website soon.

Friends of Shanklea School Summer Fair Saturday 16th July 2016, 10-12 pm

Sun and fun should be everywhere at our Summer Fair and hopefully record crowds of visitors won't be slow in making the most of the huge range of activities and stalls. The smell of sizzling burgers and hot dogs on the BBQ as well as other refreshments should keep everyone happy while they enjoy themselves.

In advance, well done to all those who help in some way to make the Fair a great success and thanks also to the hundreds of visitors who support the school on the day and help raise funds for our school.

At Out of School Club, next week we will be continuing our Rio Olympics theme, learning to samba and making masks.

We wish all Year 6 every success as they move on to their next school. We would like to thank everyone who helped with the discos and the Friends of Shanklea for their support throughout this year.
